

Streamlining Product Portfolio - Secure Survivor GUL II Will Be Discontinued

At this time, we are taking steps to further streamline our product portfolio. With that, effective March 29, 2019, the following product will be discontinued:

- Secure Survivor GUL II

We are proud to offer a robust and highly competitive product portfolio. Note this change does not impact our single life product, Secure Lifetime GUL 3 (GUL 3). Our GUL 3 remains available and rounds out a top-tier offering including Term, IUL and VUL products.

Transition Rules:

- Effective **March 29, 2019** the Secure Survivor GUL II product will be discontinued.
- New applications must be received in the home office by **March 29, 2019**.
- Applications received on or prior to **March 29, 2019** must be fully completed, signed and dated or they will be rejected at submission.
- After **March 29, 2019** new applications will no longer be accepted for the Secure Survivor GUL II product.
- Applications received in good order on or prior to **March 29, 2019** must be paid and inforce by **September 27, 2019**.
- Currently pending applications must also be paid and inforce by **September 27, 2019**.

We are committed to a diverse product portfolio:

Term	Select-A-Term
IUL	Value+ Protector
	Max Accumulator+
	AG Extend IUL
GUL	Secure Lifetime GUL 3
VUL	AG Platinum Choice VUL 2
